

SANTA CLARA SUN

“ Santa Clara City Mayor & Council Message

Dear Santa Clara Residents,

With summer winding down, it's a great time to reflect on the past month and share some exciting updates and heartfelt gratitude from your city council.

Thank You for for keeping Santa Clara Safe

We were excited to see residents celebrating both Independence Day and Pioneer Day with fireworks in designated areas. Thank you for using fireworks responsibly and keeping our neighborhoods safe. A special shout-out goes to our incredible Santa Clara-Ivins Fire Department not only for their tireless service here at home, but also for their support in fighting the Forsyth Fire. We're grateful for their dedication to our community!

Looking Ahead to America's 250th

Did you know that 2026 marks America's 250th birthday? Santa Clara is excited to be part of this historic celebration and passed a resolution last month in support of our application to become one of Utah's official Utah250 communities. We look forward to celebrating America's 250 in Santa Clara!

General Plan Update

Thank you to everyone who has participated in our General Plan resident meetings. Your input is shaping the future of Santa Clara. The first draft of the updated General Plan is expected to be delivered to the City Council in August. Our next General Plan resident workshop is scheduled for September 9 at 5:30 p.m., and we hope to see many of you there. Your voice matters!

Parks & Recreation Improvements

We've been working on the design and moving toward approval for new playground equipment for Black Rock Park. And a big thanks to our parks department for the resurfacing of four pickleball courts at Gubler park! These upgrades are part of our ongoing commitment to enhancing recreational spaces for families and residents of all ages.

Thank You for Making Santa Clara Shine

Whether you're attending city meetings, volunteering, supporting local events, or simply being a good neighbor—thank you. It's the everyday actions of our residents that make Santa Clara such a special place to live, work, and raise a family.

Cancellation of the 2025 Municipal Primary Election

Pursuant to Utah Code § 20A-1-206, Santa Clara City hereby gives notice that the Municipal Primary Election scheduled for Tuesday, August 12, 2025, has been cancelled. The cancellation is due to the fact that the number of candidates who filed for municipal office does not exceed twice the number of open positions for any at-large race, and no qualified write-in candidates have filed. As such, a primary election is not required by state law.
