

SANTA CLARA SUN

“ Santa Clara City Mayor & Council Message

One last time...

The Holidays are in full swing, and I hope everyone is enjoying this special time of year celebrating with family and friends. There are some very special events happening around the city you don't want to miss including the annual Christmas Adventsfenster or Advent Window Displays each night from December 1st through the 24th at various homes and businesses throughout the city. A new display is unveiled every evening at 7:00 pm at a different location. See the City's Website or Facebook Page for locations. They will brighten your holiday season and are a special treat for the entire family.

On December 6th the annual Christmas Tree Lighting and Samichlaus Abend or Swiss Santa Night celebrates the traditional visit from Santa in Switzerland. It's a fun filled family activity at the grass park across the street from Town Hall starting at 6:30 with donuts and hot chocolate with the tree lighting place at 7:00 pm. Don't forget to purchase a collector's Christmas ornament while you are there.

This will be my last newsletter as Mayor. My term officially ends on January 5th when Jarett Waite will be sworn in as the next Mayor of Santa Clara. The last nineteen years have been a pleasure for me representing the residents of Santa Clara as Mayor and working closely with the City Staff to serve the needs of this community. Santa Clara will always hold a special place in my heart, and I will miss the opportunities being Mayor has offered me. I have witnessed this community grow while maintaining its heritage and small-town feel.

I have been part of some amazing things during my tenure at the City; transforming the beautiful tree lined streetscape through the downtown, building the new Town Hall Building, expanding the City Parks with Gubler Park & Swiss Memorial Park, improvements to Canyon View Park and the BMX Track; new trail projects; street improvements in the valley neighborhoods; developing a commercial district centered around the Harmon's Commercial Center in the Heights; diversifying housing opportunities within the community; implementing much improved professional police, fire and EMS service; only to name a few.

As a community we've dealt with three devastating flood disasters and mitigated a landslide impacting homes. We've implemented new ordinances to protect the historic downtown area, make the community safer and provide better public services to residents. I have been blessed to work with a dedicated City Staff and many City Councils who have shared my love and dedication for this community. I will miss working with people the most. I feel the City is in a good place right now and I'm leaving it in qualified hands.

My family has lived in Santa Clara for nearly thirty-seven years; my wife and I have raised our children here and now our grandchildren come here to visit. We love our friends and neighbors who make this a special place to live. I pray it will always be a very special place to raise a family. Take the time to appreciate the Christmas Season with your family and loved ones. Do some good in your community, your lives will be blessed for it. One last time, stay safe Santa Clara...

Mayor Rick Rosenberg ”

Holiday Shopping

The holiday shopping season has arrived, making it a wonderful opportunity to support Santa Clara's local businesses. The city offers an expanding array of shopping and dining options, ensuring you can find the perfect gifts for everyone on your list. Stroll through the charming downtown and explore the many businesses in the growing commercial district around the intersection of Pioneer Parkway and Rachel Drive. Whether you're looking to shop, dine, or enjoy the festive atmosphere, Santa Clara has it all. Join us in supporting our local merchants this holiday season as they provide everything you need for gift-giving, decorating, and celebrating!

Wreaths Across America @ Cemetery

DECEMBER 25 & 26

Town Hall Closed - Christmas Holiday

WREATHS *across* AMERICA

Santa Clara City is participating in the Wreath's Across America program at the Santa Clara City Cemetery on Saturday December 13, 2025, at 10:00 am. This special event is held annually across the country with a mission to honor, remember, and teach about the service and sacrifices of our veteran's. Wreaths Across America brings us together for a time of remembrance, reflection, and a reminder to let us never forget our veterans and all they have done for our country to provide the freedoms and way of life we know and enjoy. There will be a short program at the cemetery, featuring a special veteran speaker. Wreaths will be provided to families to place on their veteran's graves in our cemetery during the program. Light refreshments will be served following placement of the wreaths. To learn more or donate please visit:

2026 Business License Renewals

We are currently in the process of putting the 2026 business license renewals online and will email them once they are ready. Please watch your inbox for further information. Renewals will be due no later than January 31, 2026. A \$25 late fee will apply to any renewals submitted after January 31st. Please ensure your Department of Commerce entity registration and all required state licenses for your business are current and included with your renewal. Daycares, childcare centers, preschools, and commercial businesses must complete and pass their annual Fire Safety Inspection before a business license can be issued. For any business license renewal questions, please call 435-673-6712 ext. 201.

WATER EFFICIENT LANDSCAPE PROGRAM

FUNDING ADDED TO FURTHER INCENTIVE GRASS REPLACEMENT

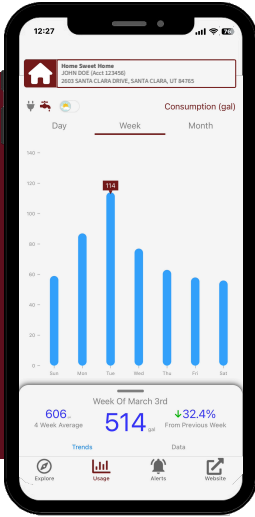

Residents of Santa Clara City now have an added reason to replace their lawns with water-wise landscaping. Through a new partnership with the Washington County Water Conservancy District (district), the city is offering an additional \$1 per square foot—up to 500 square feet—on top of the district's existing \$2 per square foot incentive available through the Water Efficient Landscape Program.

The city committed \$82,000 for the added incentive. When combined with matching state funds, the \$164,000 in supplemental funds will support more than 320 conversion projects in the city. Each new applicant from Santa Clara will be guaranteed the supplemental payment until the funds are exhausted.

"By contributing funding to the grass replacement program, we're investing in long-term water security," said Santa Clara City Mayor Rick Rosenberg. "This commitment of city resources reflects our determination to save water today and ensure a reliable supply for generations to come."

"Santa Clara's leadership sets an example worth following," said Doug Bennett, district conservation manager. "This kind of support from the region's cities is what's driving the success of the program." Since 2023, the district's program has helped the region's property owners replace nearly 3 million square feet of grass making it one of the nation's top performing programs on a per capita basis.

The Washington County Water Conservancy District is a not-for-profit public agency that oversees water resources in Washington County, UT. Visit wcwcd.gov for more information.

MyMeter Mobile App

NEW USER SET UP

Welcome to the MyMeter Mobile App!

Welcome to the 'MyMeter' mobile app! Our goal is to make tracking your water and power usage simpler and more convenient than ever before. With our cutting-edge Advanced Metering Infrastructure (AMI) system, water readings are taken daily, and power readings are taken every fifteen minutes, all securely stored in the cloud for easy access. With the 'MyMeter' mobile app, you can effortlessly monitor your consumption, compare trends, set alerts, and more. Get ready to take control of your utility usage and make informed, cost-saving decisions every day!
